# Earn FREE Cash on Rosen Plumbing Supply's March Madness Board!

**Now's the time to make your purchases from Rosen Plumbing Supply's counters!**

## Here's How...

Make a qualifying **\$100** counter purchase at Rosen Plumbing Supply and you'll earn a slot on our March Madness board. You'll be randomly matched with a participating team in the tourney,

Earn up to four teams in the tourney!

When your matched team wins in the...

...first four rounds — you win **\$5** per round!

...Final Four — you win **\$15!**

...Championship — you win **\$25!**

## Canplas Grease Interceptors • • • **BONUS!** • • •

Earn one extra team in the tourney when you make Canplas Grease Interceptors a part of your purchases at Rosen Plumbing Supply during the promotion period.

That's up to five teams you can win cash with!

The promotion period is  
February 1, 2012 to March 13, 2012

## Canplas Grease Interceptors from ROSEN PLUMBING SUPPLY!

### Model Numbers:

#3925A02LOS • #3925A02 • #3925A03

#### Rules:

1. A qualifying purchase is one made at Rosen Plumbing Supply's counter for immediate fulfillment from stocked inventory.
2. Call in orders are excluded unless they are called in and picked up in the same day by the same person.
3. Accounts must be current to participate or collect cash awards.
4. Maximum one earned team per day unless one bonus team was earned by purchasing Canplas Grease Interceptors.
5. Maximum four earned teams per company unless one extra bonus team was earned by purchasing Canplas Grease Interceptors during the promotion period. Limit one bonus team earned per company.
6. Any unused teams are the property of Rosen Plumbing Supply.
7. Rosen Plumbing Supply reserves the right to change or cancel this promotion without written notification.

**canplas**

The engineered solution to grease management at  
Rosen Plumbing Supply with Canplas Grease Interceptors:

**FEATURES AND BENEFITS**

- Injected molded in engineered thermoplastics, Endura® will not corrode, chip or peel, even under the most severe applications - 10 year warranty
- Molded one piece tank eliminating seams and potential leaking
- Can accommodate continuous discharge at 104° C (220° F)
- Lightweight and strong, Endura® models weigh up to 60% less than directly equivalent metal competitors - offers ease of installation, transport and storage
- Endura® can support 440 pounds of pedestrian and light duty traffic
- Connected using mechanical joint couplings allowing for use of various piping materials
- Flexibility of installation - can be installed in-floor, on-floor, or semi-recessed

**Lightweight, durable and corrosion resistant!**
